

Your safety matters most.

To ensure that you and our staff are protected, our team has pledged to do the following:

Allure Dance Creation is equipped with PlasmaWaven Air Technology. ADC takes every possible measure to help reduce the risk of COVID-19 and other sickly diseases:

Cleaning & Sanitizing: Before and after each class, ADC staff sanitizes the floors, equipment, and all other highly touched areas.

- Preventative Measures: Our online sign in sheet ask a series of health-related questions that is monitored daily. Upon arrival, all staff, dancers, and visitors check their temperature. Mask are worn at all times for ages 4 and up; absolutely no exceptions. All dancers are required to wash their hands before they can participate and interact with other dancers.

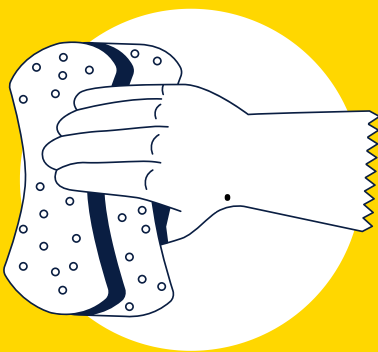

If dancers or teachers are sick, stay at home is a requirement.

Social distancing is required.

Classes begin and end on a staggered schedule.

Dancers must bring their own water bottles.

Dancers are given the opportunity to rotate in-person and virtually when classes do not allow for social distancing.

Dancer's personal belongings are stored in a cabinet that is sprayed and wiped down before and after each use.

Dancers and teachers are allowed to go outdoors in our backyard area during breaks.

You can do your part by **wearing a mask** and practicing **social distancing**.
